Follow Your Passion – Join the Family

“Every Tuesday and Wednesday we share our passion for dance, we make it a party instead of a class, because we are a happy dancing family. I cannot wait for the rest of the program and focus on teaching special children and elderly people.” Jean-Franco

Join a class full of like-minded people with the same goal as you. From Ballet to Break-Dance, all different styles of dancers meet in our studios to share their passion and learn the theory and practice of dance teaching.

GET PRACTICAL DANCE TEACHING EXPERIENCE

Students taking our course have the opportunity to teach school children in the local community as part of the program. We have partnered with schools to provide you with practical teaching experience while you complete your qualification, giving you a head start for your career.

INDUSTRY PARTNERSHIPS

The Australian College of Dance partnered with BLOCH to provide our students with discounts for their dance equipment.

Students who enrol with us will get a free BLOCH privilege card that can be used in all their stores to take advantage of great deals.

INTERNATIONAL STUDENTS WELCOME

The College welcomes international students from many different countries.

Our CRICOS accredited courses allow international students to pursue an Australian qualification in dance teaching whilst enjoying everything Australia has to offer.

International students can find more details about how to apply, course timetables and English proficiency information at our website DanceCollege.com.au

HOW DO YOU LEARN BEST?

Our College offers both classroom and home study learning options for students*.

Classroom programs focus on a 'hands-on' approach to learning. You will get plenty of practical experience as well as theory lessons that are fun and dynamic. This allows students to immediately put theory into practice and it is a great opportunity to develop your dance teaching skill.

If you need more flexibility to achieve your dance teaching qualifications then a quality home study program is a perfect option. As a student you will enjoy a course that combines easy-to-follow course notes plus practical assignments and video submissions.

*Note: International students are required to undertake classroom programs
